Dear members,

To address the spread of COVID-19 outbreak the World Health Organization and Center for Disease Control and Prevention have urged to practice "social distancing" and to avoid meetings and unimportant visits.

Hence as responsible citizens all our members are requested to discourage and suspend visits of sales executives of pharmaceutical companies at your clinic or hospital until this pandemic is declared to be brought under control. Communication through electronic media may be encouraged instead of personal visits.

Hope all of you would extend your support in this initiative of IADVL which will certainly help in curbing this pandemic.

Thank you

Dr KIRAN GODSE
