Volume: 3, Issue: 3, April 2022

Dear IADVLites,

April 2022 saw spring moving into an early summer, little unusual for this time of the year. Similarly, the Presidential Road became a little bumpy but nothing could keep our spirits down and we, in the IADVL EC 2022, saw a few important activities.

**IADVL Guruderma Mentorship Project:** The month started with an interactive session for our esteemed mentors for nearly 4 hours by our Global Leadership Course, Niket Karajagi. Along with the IADVL Mentorship Committee Chair and Convener, the planned roadmap was explained and ideas exchanged on 3<sup>rd</sup> April 2022. It was indeed a heartwarming session. Similarly, we had an informal warming up question and answer session with our selected mentees on 5<sup>th</sup> April 2022 before they were to set up their mentorship schedules. A number of sessions began in April 2022.

**World Skin Health Day:** The ILDS-IADVL World Skin Health Day was celebrated countrywide on 6 April 2022 by IADVLites under the guidance of the IADVL Community Dermatology Committee. Educational posters were made in plenty by IADVL Community Dermatology Committee, Media Cell, ITATSA, IADVL Yuva Cell and IADVL NRCC. Talks on skin health were held in different states with press coverage. The President IADVL, Dr Rashmi Sarkar, Vice President IADVL, Dr Vineet Relhan, IADVL Delhi State Branch President K.D. Barman, Head of Dermatology, LHMC, Delhi, Dr Vibhu Mendiratta, Community Dermatology Convener, Dr Varun Khullar and team from IADVL held a Press Meet in Press Club of India to mainly speak about "Dermatologists being the True Skin and Hair Experts" and "Topical Steroid Damaged Face". The IADVL Yuva Cell held Facebook and Instagram lives with different dermatologists.

**Practice Management CME:** The first physical Practice Management CME was held at Bhopal along with Mid Cuticon, MP on 10<sup>th</sup> April 2022 with an attendance of nearly 150 under Chair, Dr Neeraj Pandey, Convener, Dr Preethi B Nayak, President IADVL MP, Dr Anurag Tiwari and Secretary Akhilesh.

**IADVL Dermatalent Poetry Contest:** An online Pan Indian Poetry contest in Hindi and English was held 10/04/2022 for IADVL Members under Chair, Dr Anil Ganjoo and Convener, Dr Nishi Yadav, which was a first-time event enjoyed by all.

**IADVL Legal Cell:** Held an interactive session on Informed Consent on April 20, 2022, again a first-time activity, under Chair, Dr KHS Rao and Convener, Dr Mansak Shishak.

**The IADVL EC Meeting 2022** was perhaps the most awaited event this month and took place physically in IADVL Headquarters, Kaushambi and Hotel Radisson Blu Towers, Kaushambi on 16-17 April 2022 with the release of the IADVL April 2022 Newsletter. The IADVL EC 2022, Organisers of eDermacon 2022, Dermacon International 2023, Mid Dermacon 2022, Editors IJDVL, IDOJ, few Chairs of Committees met and had fruitful discussions over one and a half days. There was a meeting also with the Chartered Accountant and Legal Retainer. It was a stimulating interaction between seniors and some active fresh Committee Chairs.

**The International Society CMEs**, another IADVL Presidential initiative were introduced with the first webinar being from the Asian Society of Pediatric Dermatology in collaboration with IADVL where “Hot topics in Pediatric Dermatology” were discussed on 24<sup>th</sup> April 2022.

**The Strategic Development Program**, another Presidential initiative, held for IADVL EC and Committee Chairs and Conveners with the Global Leadership Coach and IADVL Leadership Pipeline Committee, after exhaustive 7 weekly sessions and also 2 internal breakout sessions, came to an end on 29<sup>th</sup> April 2022. It redefined the mission, vision, values and actionable of IADVL. It was a first-time initiative by an Indian Medical Organisation.

For the IADVL Leadership Pipeline Awardees and Mentorship awardees, a guest lecture was held by Dr Michele Verschoore on 30<sup>th</sup> April 2022 on “Academic enhancement and Public Private partnerships” with an interactive question and answer session.

**IADVL Golden Jubilee Podcasts** continued with 4 more podcasts by Dr Jayakar Thomas and Dr Amanda Oakley, Dr Namita Chathra and Dr Lalit Gupta, Dr Abhishek De and Dr Kiran Godse and Dr Abhishek Bhardwaj and Dr Abir Saraswat.

**The IADVL Media Cell** under IADVL EC 2022 released its third Golden Jubilee Video on the first part of Dermacons till 2002.

The first SIG Dermatopathology (Academy) CME was held on 9<sup>th</sup> April by Department of Dermatology and Pathology and DSI at Vardhman Mahavir Medical College and Safdarjung Hospital, New Delhi. SIG Trichology and Hair Transplant CME (Academy) was held at Hyderabad on 24<sup>th</sup> April 2022.
